# HOTEL FITNESS®

The World's Leader In Hotel & Resort Fitness®

Enjoy the motivation of heart-pumping music with the dual 3" speakers integrated in the console. The TR9700 also features iPod® or mp3 player connectivity, directly on the console. After the workout, the TR9700 folds up using its SpaceSaver® design, which allows for easy cleaning under the machine and easy transport.

## FEATURES & BENEFITS

**Integrated Speakers** › Users can plug in their CD or MP3 player directly into the console via a standard audio cable to listen to their favorite music through the integrated speakers.

**Integrated Fan** › With low, medium and high settings, the fan offers added comfort even during the most intense training.

**Soft Flex™ Adjustable Impact Absorption** › Whether looking for firm support or a little softer stride, Soft Flex™ allows the user to choose the preferred level of deck cushioning.

**SpaceSaver®** › This patented design allows the deck to fold up vertically for storage and for easy cleaning. The SpaceSaver® treadmill features a lift-assist shock and a self-locking latch to make folding and unfolding the treadmill easier than ever before.

**Incline** › Adjust incline from 0 to 12% by scrolling in 0.5 increments.

**Handrail Controls** › Change your speed and incline without missing a step. Located on the handrail, speed and incline buttons are at your fingertips for on-the-fly adjustments.

**Heart Rate** › Pulse information can be displayed on the console via contact sensors or compatible wireless chest strap.

SPECS › HF-TR9700 Treadmill

Dimensions	78" x 39"	Max. User Weight	350 lbs.
