

Investment in great products means more than just innovation for innovation's sake. It means thoughtful creation of products and product features. A strong commitment to product leadership is displayed each

and every day, by ensuring safe products that are easy to use and feel great. That they have the best industrial design on the market, with unsurpassed reliability and durability built in.

# TREADMILL

## FEATURES & BENEFITS

**iPod® Integration** › Made for iPod® integration allows users to charge their iPod®, manage their playlist, and watch videos on the optional personal viewing screen.

**DX3™ Belt & Deck System** › A ground-breaking system that combines a lubricant-infused belt, Advanced Belt Tracking System (ABTS) and patented FlexDeck Shock Absorption System for the ultimate in durability and comfort.

**Large Running Surface** › The 20" x 62" running surface provides ample space and is constructed from carbon weave, low friction material that is resistant to static build-up.

**Powerful Commercial Motor** › The powerful 4.0 HP commercial motor provides smooth and reliable operation.

**Commercial-Grade Components** › Superior grade engineering and commercial grade components provide reliability and equipment durability.

**Hand Grip Heart Rate:** Heart rate information can be displayed on the console via hand grips or wireless chest strap.

**Personal TV Screen (Optional)** › Attachable 17" Ultra Bright LCD Personal TV Screen.

ITEM: HF-CLST-LF

### SPECIFICATIONS

Item	HF-CLST-LF	Power Requirements	120 Volts, 20 Amp Dedicated NEMA 5-20
Dimensions	83" x 37"	Incline Range	0 to 15%
Product Weight	425 lbs. (193 kg)	Running Surface	DX3™ Belt & Deck System
Motor	4.0 HP CDC Commercial Motor	Heart Rate	Hand Grip & Wireless Heart Rate Monitoring
Tread Belt Size	20" x 62"	Entertainment	Personal TV Option: 17" Ultra Bright LCD
Regulatory Approvals	CE, CEN, CSA, TUV, UL	Manufactured By	<i>LifeFitness</i> ®
