

## GREEN SERIES™

Committed to leading the fitness industry in eco-friendly products through research, design and focused business solutions and environmentally-friendly practices. We are dedicated to forward-thinking innovation that allows

us to create high quality, durable products that are environmentally responsible and easy to use. Green Series™ all rights reserved

# TREADMILL

## FEATURES & BENEFITS

**Green Series** › A lower product weight reduces carbon emissions during shipping and logistics. Manufactured at one of the most efficient, clean and vertically integrated factories in the world.

**Flex Deck Cushioning System** › The durable flex deck cushioning system delivers proportional cushioning effects regardless of user weight.

**Large Running Surface** › The 22" x 62" running surface provides ample space and is constructed from carbon weave, low friction material that is resistant to static build-up.

**Self-Cooling/Self-Cleaning Motor** › The powerful 3.2 HP motor self-cools and self-cleans providing commercial-grade durability and extending the life of the motor.

**Commercial-Grade Components** › Superior grade engineering and commercial grade components provide reliability and equipment durability.

## SPECIFICATIONS

ITEM: HF-TR9800-G

Item	HF-TR9800-G	Power Requirements	120 Volts, 15 Amp Dedicated
Dimensions	82" x 34"	Tread Belt Size	22" x 62"
Product Weight	284 lbs. (129 kg)	Running Surface	Flex Deck Cushioning System
Motor	3.2 HP CDC Self-Cooling, Self-Cleaning Motor	Heart Rate	Wireless Heart Rate Monitoring
Incline Range	0 to 15%	Safety	Commercial Emergency Stop System
Regulatory Approvals	UL, CSA	Display Type	LED
Waranty	Lifetime Frame 5 Years Motor 5 Years Parts 1 Year Labor

# ELLIPTICAL

## FEATURES & BENEFITS

**Self-Powered Design** › Self-powered design requires no power outlets and saves energy. A lower elliptical weight reduces carbon emissions during shipping and logistics for a positive impact on the environment.

**User-Adjustable Stride Length** › A manually adjustable stride length (18"-25.5") activates more muscle groups and adjusts to all users.

**Flex Pedal Cushioning System** › The flex pedal cushioning system softens each step and provides a comfortable workout platform.

**Patented Footpath** › A unique footpath provides users with comfortable, natural striding movement.

**Smooth & Silent Operation** › The advanced eddy current electro-magnet resistance provides silent and smooth operation.

**Commercial Grade Components** › Manufactured with commercial-grade materials and the finest components for extreme durability to stand up to years of heavy use.

## SPECIFICATIONS

ITEM: HF-XT9800-G

Item	HF-XT9800-G	Power Requirements	Self-Powered
Dimensions	79" x 24"	Stride Length	Manually Adjustable 18" - 25.5"
Product Weight	328 lbs. (124 kg)	Heart Rate	Wireless Heart Rate Monitoring
Programs	Manual/Track, Interval x2, Random, Glute, Custom HR, Cardio & Weight Loss	Display Type	Dot Matrix & Bright LED
Regulatory Approvals	UL, CSA		
Warranty	Lifetime Frame 5 Years Parts 1 Year Labor

# RECUMBENT CYCLE

## FEATURES & BENEFITS

**Self-Powered Design** › Self-powered design requires no power outlets and saves energy. A lower elliptical weight reduces carbon emissions during shipping and logistics for a positive impact on the environment.

**Step-through Design:** Sleek design with low frame profile allows for easy entry/exit of the machine.

**Commercial Grade Components** › Manufactured with commercial-grade materials and the finest components for extreme durability to stand up to years of heavy use.

**Smooth & Silent Operation** › The advanced eddy current electro-magnet resistance provides silent and smooth operation.

**Adjustable Mesh Seat** › A breathable, reclining mesh seat with lumbar pouch is adjustable for comfort & support.

**Ergonomic Pedal Assembly** › Pedals are self-leveling and feature toe straps for secure foot placement.

## SPECIFICATIONS

ITEM: HF-RB9800-G

Item	HF-RB9800-G	Power Requirements	Self Powered
Dimensions	66" x 26"	H.R. Monitoring	Wireless Heart Rate
Product Weight	156 lbs. (80 kg)	Programs	Hill (x3), Interval (x2), Manual/Track, Random, Weight Loss, Cardio, Custom Heart Rate, Quick Start
Resistance	0.5 to 10, Scrolling in 0.5 increments for 20 levels	Safety	Step-Through Design, Safe Entry/Exit
Regulatory Approvals	UL, CSA	Display Type	LED
Warranty	Lifetime Frame 5 Years Parts 1 Year Labor
