can be sure that the Pro Series™ products manufactured by Nautilus® are designed for a lifetime of dependable use. Pro Series™ all rights reserved

TREADMILL

FEATURES & BENEFITS

Impact Cushioning › By combining urethane deck isolators users experience additional cushioning as the deck is able to give with every foot strike.

Extra Large Running Surface › A very generous 22" x 63" running surface accommodates all users and provides safety and stability.

Maintenance-Free Belt › The 2-ply belt requires no lubrication for years of smooth, consistent use.

Powerful Motor › A 4.8 HP AC commercial motor provides commercial-grade power and durability.

Durable Deck › Soft impact absorption running surface adjusts to individual body and reduces impact on key joints for walkers and runners alike.

Commercial Construction › Commercial construction, including a welded-steel frame and heavy duty materials, are used for a very durable treadmill.

Front/Rear Power Cords › Power cords have been placed in both the front and rear of the treadmill, allowing for greater flexibility in placement of equipment inside the fitness room.

Personal TV Screen (Optional) › With the optional 15" LCD Workout TV you're ready to escape and exercise watching your favorite show or movie.

SPECIFICATIONS

ITEM: HF-TR9900-N

Item	HF-TR9900-N	Power Requirements	115 Volts, 20 Amp Dedicated Circuit NEMA 5-20
Dimensions	88" x 35"	Running Surface	Soft Impact Absorption Running Belt
Product Weight	370 lbs. (168 kg)	Heart Rate	Hand Grip & Wireless Heart Rate Monitoring
Motor	4.8 HP AC Commercial Motor	Entertainment	Personal TV Option: 15" LCD
