it perfect for a fitness room. The Sport Series™ is a perfect fitness solution for all fitness levels from those just beginning a fitness program to advanced users. Sport Series™ all rights reserved

TREADMILL

FEATURES & BENEFITS

Impact Cushioning: By combining urethane deck isolators users experience additional cushioning as the deck is able to give with every foot strike.

Extra Large Running Surface: A very generous 22" x 60" running surface accommodates all users and provides safety and stability.

Powerful Motor: A 5.0 HP AC commercial motor provides commercial-grade power and durability.

Impact Absorption Running Surface: Soft impact absorption running surface adjusts to individual body and reduces impact on key joints for walkers and runners alike.

Commercial Construction › Commercial construction, including a welded-steel frame and heavy duty materials, are used for a very durable treadmill.

Heart Rate: Pulse information can be displayed on the console via contact sensors or wireless telemetry.

SPECIFICATIONS

ITEM: HF-TR9800-N

Item	HF-TR9800-N	Power Requirements	120 Volts, 20 Amp Dedicated Circuit
Dimensions	85" x 37"	Running Surface	Soft Impact Absorption Running Belt
Product Weight	407 lbs. (185 kg)	Tread Belt Size	22" x 60"
Motor	5.0 HP AC Commercial Motor	Heart Rate	Hand Grip & Wireless Heart Rate Monitoring
Incline Range	0 to 15%	Display Type	LED
Regulatory Approvals	UL, CSA	Sport Series™ all rights reserved	
Warranty	Lifetime Frame 5 Years Parts 3 Years Electronics 1 Year Labor		

ELLIPTICAL

FEATURES & BENEFITS

Natural Stride › Natural stride provides users with comfortable, workout.

Self-Powered Design › The self-generating design enables the elliptical to be powered by the user, thus reducing power consumption and saving energy.

Commercial Construction › Commercial construction and heavy duty materials are used for a very durable elliptical.

QuickTouch Programs › Users have a variety of training options with nine pre-programmed workouts.

Belt Drive › Smooth belt drive system provides quiet, consistent operation and requires very little maintenance.

Heart Rate › Pulse information can be displayed on the console via hand contact sensors or compatible wireless telemetry.

SPECIFICATIONS

ITEM: HF-XT9800-N

Item	HF-XT9800-N	Power Requirements	Self-Powered
Dimensions	80" x 27"	Programs	12 Pre-Programmed Workouts
Product Weight	253 lbs. (115 kg)	Heart Rate	Hand Grip & Wireless Heart Rate Monitoring
Regulatory Approvals	UL, CSA	Display Type	LED
Warranty	Lifetime Frame 5 Years Parts 3 Years Electronics 1 Year Labor	Sport Series™ all rights reserved
